Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001.

END OF ANNEX

International application No.

PCT/AU2004/000962

Box	k No.	I	Nucleotide and/or amino acid sequence(s) (Continuation of item 1.b of the first sheet)
1.	With clair	h rega	rd to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the evention, the international search was carried out on the basis of:
	a.	type	of material
		X	a sequence listing
			table(s) related to the sequence listing
	ъ.	form	at of material
			in written format
		X	in computer readable form
•	Ċ.	time	of filing/furnishing
		X	contained in the international application as filed
		X	filed together with the international application in computer readable form
ı			furnished subsequently to this Authority for the purposes of search
2.		file	addition, in the case that more than one version or copy of a sequence listing and/or table(s) relating thereto has been d or furnished, the required statements that the information in the subsequent or additional copies is identical to that in application as filed or does not go beyond the application as filed, as appropriate, were furnished.

## INTERNATIONAL SEARCH REPORT

International application No.

PCT/AU2004/000962

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following treasons:  1. Claims Nos:  2. X Claims Nos: 2, 3 and 5 partially searched because they relate to subject matter not required to be searched by this Authority, namely:  2. X Claims Nos: 2, 3 and 5 partially searched because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:  Claims 2, 3 and 5 were partially searched to the extent that they comprise SEQ ID NO 1.  3. Claims Nos:  because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a)  Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet).  This International Searching Authority found multiple inventions in this international application, as follows:  1. As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.  3. As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:  4. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:  Remark on Protest  The additional search fees were accompanied by the applicant's protest.  No protest accompanied the payment of additional search fees.	Box No. II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)			
because they relate to subject matter not required to be searched by this Authority, namely:  2. X Claims Nos.: 2, 3 and 5 partially searched because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: Claims 2, 3 and 5 were partially searched to the extent that they comprise SEQ ID NO 1.  3. Claims Nos.: because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a)  Box No. III Observations where unity of invention is tacking (Continuation of item 3 of first sheet).  This International Searching Authority found multiple inventions in this international application, as follows:  1. As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.  3. As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:  4. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims, it is covered by claims Nos.:	****			
2. X Claims Nos.: 2, 3 and 5 partially searched.  because they relate to parts of the international spalication that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:  Claims 2, 3 and 5 were partially searched to the extent that they comprise SEQ ID NO 1.  3. Claims Nos.:  because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a)  Box No. III Observations where unity of invention is lacking (Continuation of Item 3 of first sheet).  This International Searching Authority found multiple inventions in this international application, as follows:  1. As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.  2. As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.  3. As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:  No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:  Remark on Protest  The additional search fees were accompanied by the applicant's protest.	1.
